Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Sunday 06 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Any lingering showers clearing, leaving a dry night. Feeling cooler.

This Evening and Tonight:
Any residual showers clearing this evening, leaving dry conditions across the region, with patchy cloud allowing for clear spells. Fog patches likely to form in the early hours in prone areas. Feeling cooler than recently. Minimum temperature 6 deg C (43 deg F).

Monday:
Any morning fog will gradually clear through the morning, and though initially cloudy, skies brighten through the day. Remaining dry, and feeling warm in the sunshine. Maximum temperature 20 deg C (68 deg F).

Outlook for Tuesday to Thursday:
Dry and fine on Tuesday. Rain arriving through Wednesday morning, easing through the afternoon. A mixture of scattered showers and sunny spells on Thursday. Winds strengthening throughout this period.
